

DATE AVAILABILITY FOR THE NUTCRACKER 2018 Name of Dancer: _____

ALL REHEARSALS ARE AT THE ACADEMY OF DANCE ARTS STUDIOS UNLESS OTHERWISE NOTED

■ All dancers do not necessarily rehearse each day or for the entire time period; however we must know your availability so rehearsals may be planned. **Dancers who are most available will be chosen first! Do not put “question marks” for availability as they indicate to us that you are not available and you may risk losing a role. All dancers must be available for all dress rehearsals and shows regardless of casting and must be available for all MANDATORY dates.** Any requests for excused absences beyond the dates noted on the initial audition application must be requested in writing to Mrs. Brennan (v305599@verizon.net) and granted by the Artistic Staff.

■ Rehearsals and Costume Fittings take place during the dates/time frames noted. In the event we are not able to rehearse on a weekend due to inclement weather or other reason, rehearsals will be rescheduled for another day- probably a Friday. “Corps” or “Corps de Ballet” refers to pre-professional levels.

■ **** November 18 is the Dress Rehearsal in the studio and attendance is MANDATORY. You must be here that weekend and available for ALL other “MANDATORY” and “Must be available” dates. There is no rehearsal on the Friday and Saturday after Thanksgiving, however there WILL be rehearsal on Sunday November 25. Attendance is MANDATORY.**
