December 2019

Dear Principal and Teacher(s) of _____

Please excuse this student from class on:

(Dancer, please check the days you are scheduled to perform)

- Thursday, December 12, 2019
- Friday, December 13, 2019

She/he will be performing with the Company of Dance Arts in *The Nutcracker* for student audiences from area schools at the Count Basie Center for the Arts in Red Bank. This activity provides an experience available only during the regular school year and may not be accomplished at a time other than the above dates.

As with every decision, there are consequences. We are aware there are negative aspects to missing school, but this student's parents and the Artistic Directors feel this experience is unique and therefore, highly desirable.

It has been made clear that the student is responsible for all missed work and must be diligent in his/her effort to complete all assignments.

Thank you for your cooperation.

Sincerely,

The Board of Trustees of the Company of Dance Arts
