

## The Nutcracker 2019

### Children's and Junior Corps Costume and Makeup Requirements

Please review the following information carefully. We have listed the items that each dancer must have for their makeup caboodle and costume. Check all items if your child has multiple parts. We will check caboodles of cast members new to The Nutcracker for **makeup items only** on **November 17** (other caboodle items may be left at home, i.e.: hair items and “additional items”). In addition on Nov 17, please bring in performance tights, socks and performance shoes **with elastic (all shoes but satin) OR ribbons (satin shoes only) sewn on (need to be checked)**. Shoes must be ready as they will be worn at the in studio dress rehearsal on November 24. If you do not know how to sew ribbons on the satin shoes, please ask one of the Trustees for instructions. If your child has performed with CODA before, please go through the caboodle and discard old items and obtain new ones if necessary. If you have any questions about this list, please see one of the Trustees or call us on 732-842-4015.
